# MISSION STATEMENT

---

The Mission of the Franklin Police Department is to enhance the quality of life in the City of Franklin by providing the highest quality of service to our citizens. We are committed to working cooperatively with the public and other agencies to preserve peace, protect life and property, reduce crime, and provide needed services to our community.

# VISION STATEMENT

---

The Franklin Police Department will be a model of professionalism and efficiency in the law enforcement community.

# LAW ENFORCEMENT

## OATH OF HONOR

---

*On my honor,* I will never

Betray my badge, my integrity, my character or the public trust.

*I will always* have the courage to hold  
myself and others accountable for our actions.

*I will always* uphold the  
Constitution, my community, and the  
agency I serve.

# LAW ENFORCEMENT CODE OF ETHICS

---

*As a law enforcement officer*, my fundamental duty is to serve mankind; to safeguard lives and property, to protect the innocent against deception, the weak against oppression or intimidation, and the peaceful against violence or disorder; and to respect the constitutional rights of all people to liberty, equality and justice.

*I will* keep my private life unsullied as an example to all; maintain courageous calm in the face of danger, scorn, or ridicule; develop self-restraint, and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my Department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

*I will* never act officiously or permit personal feelings, prejudices, animosities, or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

*I recognize* the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve the objectives and ideals, dedicating myself before God to my chosen profession...law enforcement.

# CHIEF OF POLICE

---

**Richard P. Oliva**  
Chief of Police

Honorable Mayor Thomas Taylor  
Members of the Common Council  
Members of the Police and Fire Commission  
Franklin Residents

I am pleased to present the Franklin Police Department's 2009 Annual Report. This report reflects the activities, services, and accomplishments performed by the members of the police department for the goal of keeping the City of Franklin a safe and secure place to live, work, and play.

2009 presented the department with many challenges. The biggest challenge was to provide high level police services with limited resources. To that end, the department took the following steps to operate more effectively and efficiently:

The department reduced spending by 5.3%. This was 1.3% more than the mandatory 4% directed by the Mayor. The department applied for and received grants totaling more than \$75,000. We also recovered over \$5,000 in Asset Forfeiture funds and property from drug investigations. The department purchased a mobile command post with non tax dollars eliminating the need to rent one at city expense on a yearly basis for the St. Martens Festival.

The department also acquired several technologies which allowed us to work more efficiently such as a Live Scan Fingerprint system, an Automatic License Plate Reader, and a Computer Voice Stress Analyzer.

We also had several important arrests including the arrests for aggravated battery of suspects involved in a severe beating at the Irish Cottage, the arrest of a burglar responsible for numerous burglaries in several subdivisions in the city, and the arrest of a serial murder suspect from Milwaukee.

As this annual report shows, we addressed an ever increasing demand for police services. We managed this demand efficiently and effectively.

I want to thank all the members of the Franklin Police Department for their continuing dedication and commitment to public service and protection. I also want to thank Mayor Taylor and the members of the Common Council for their support and commitment to providing the citizens of Franklin a safe and secure environment to live in. Lastly, I want to thank the citizens who support our efforts and who cooperate when we need their assistance in doing our jobs.

*Chief Richard Oliva*

# INSPECTOR OF POLICE

---

**Gaylord M. Hahn**  
Inspector

This agency has seen significant change since its formation in January 1964. The first Police Chief Harold H. Roach operated out of an old farmhouse located at 5521 W. Ryan Road with a force of six (6) officers. After the resignation of Harold Roach (09/68) our department was led by Walter Lazowski (10/68 to 10/71), Norman J. Pollman (10/71 to 12/96), and Kenneth W. Bohn (07/97 to 06/04). Today, the Franklin Police Department is commanded by Chief Richard P. Oliva and operates out of its current facility located at 9455 W. Loomis Road with a sworn staff of fifty-nine (59) officers, serving a population of 33,700.

Chief Oliva not only oversees law enforcement functions within the City, but he also directs the implementation of the department's budget. The Chief recognizes the financial implication of his management decisions and has effectively controlled costs through economical utilization of personnel and equipment.

Under the command of the Chief, the police department has operated below its 2009 allocated budget, while still providing appropriate police services to maintain the safe and orderly operation of this City.

Below are statistics taken from the Wisconsin Taxpayers Alliance Municipal Facts 09 Booklet.

# FRANKLIN POLICE DEPARTMENT ORGANIZATIONAL CHART

# UNIFORM CRIME REPORTING

---

Uniform Crime Reporting to the State of Wisconsin and FBI is broken down into two categories. Part I Offenses which include: Homicide, Rape, Robbery, Assault, Burglary, Larceny and Motor Vehicle Theft. As part of UCR reporting, Arson and Sexual Assault are also reported to the State of Wisconsin. All other offenses i.e. Vandalism, Fraud, Drug and Narcotic Violations, Disorderly Conduct etc are considered Part II Offenses. Only arrests for Part II Crimes are reported for UCR purposes.

**Homicide:** The Uniform Crime Reporting system defines homicide as the “willful killing of one human by another”. Attempted murder is scored as an aggravated assault. Vehicular Homicide is not included.

**Forcible Rape:** The UCR system defines Forcible Rape as “carnal knowledge of a female forcibly and against her will”. On the average one of every six sexual assaults are forcible rapes. Attempt Rape is also counted in this category.

**Robbery:** The taking of anything of value from a person by force or threat of force whether armed or not is considered a robbery by UCR standards. Attempt Robberies are also counted as a “Robbery”

**Assault:** Assault is defined as “an unlawful attack by one person upon another”. Both simple and aggravated assaults are reported to the State of Wisconsin for UCR purposes. Only aggravated assaults are reported in the UCR statistics from the FBI. (Assault is often compared to Battery. Although an assault may also be a battery an assault may not meet the statutory definition of a battery. For example; pushing someone may be an assault but not a battery).

**Burglary:** Burglary is defined as the “unlawful entry of a structure to commit a felony or a theft”. The use of force to enter the structure is not a requirement of the offense of burglary. Structures include residences, garages, storage sheds, mobile homes, and enclosed portion of a ship or Vessel

or a locked enclosed portion of a truck trailer. Attempt burglaries are also reported for UCR purposes.

**Larceny/Theft:** Larceny is defined as the “unlawful taking of property from the possession of another”. There is no dollar amount restriction in the UCR system for larceny offenses. Attempted Larceny/Theft is also counted for UCR purposes.

**Motor Vehicle Theft:** The theft of a self-propelled vehicle that runs on the surface with the exception of farm and construction equipment is scored as a motor vehicle theft for the purposes of UCR. Attempt MV Theft is also reported.

**Sexual Assault:** Sexual Assault is also reported to the State of Wisconsin only. It includes all sexual assaults with the exception of forcible rape.

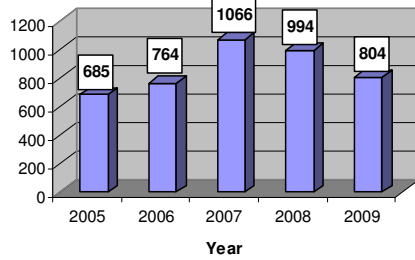

**Arson:** Arson is defined as the “willful burning of a structure, motor vehicle or personal property”. The crime of Arson is reported to the State of Wisconsin only.

**The Hierarchy Rule:** There is significance to the order in which Part I offenses are presented, with Criminal Homicide being the highest in the hierarchy and Arson being the lowest.

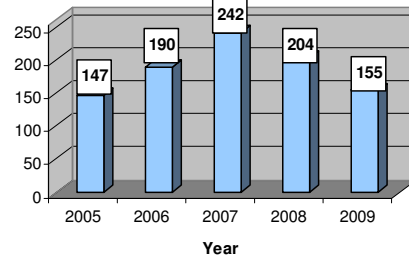

In situations where more than one Part I Offense is committed (for example: During a robbery the victim is shot and killed by the assailant) the Hierarchy Rule is used. The Hierarchy Rule requires that when more than one Part I offense is committed, the law enforcement agency must report the offense that is highest on the hierarchy list and score that offense involved and not the other offense(s). Although we report all offenses on our Incident Report only one highest Part I offense would be reported to UCR

The Franklin Police Department Day Shift patrol officers provide a number of services to the community in addition to their traditional law enforcement responsibilities. The Court Officer takes most of the Department's criminal and state traffic cases to the Milwaukee County District Attorney's Office for review and charging. Two Property Room custodians on the shift routinely transport evidence to and from the Regional Crime Lab in Milwaukee, return property to owners, and prepare property for disposition. Four officers are assigned to perform the liaison function

(Adopt-A-School program) in all of our public elementary schools. Three officers teach Drug Abuse Resistance Education (DARE) classes in the 5<sup>th</sup> grades throughout the course of the school year. Three officers teach Protective Behaviors (child abuse prevention education) and two others teach Bicycle Safety in the spring of the year. Two crime prevention officers are available to provide a number of crime prevention services for citizens and businesses in the City of Franklin. One officer serves as a liaison to the senior citizens and regularly attends meetings and speaks to the Franklin Seniors group.

May 6, 2009 Franklin Police Department motorcycle unit and K-9 officers participated in the procession from the Milwaukee Art Museum at the lakefront to MacArthur Square as part of the annual Law Enforcement Memorial Ceremony.

During the course of 2009, the Day Shift experienced several changes in personnel. Early Shift PO Kevin Mullikin filled in on the shift for an extended period while other officers were off work due injuries or illness. In addition, probationary officer Gary Wallace also filled in when the shift was below acceptable staffing levels. PO Richard Novak retired in September, after more than thirty-two years of service to the community. Early Shift PO Jesse Hintz came to the shift as his replacement. PO Theodore Mazza returned safely from Iraq in September after serving as a military police officer for a year on active duty in the US Air Force.

In 2009, Day Shift officers actively enforced City of Franklin municipal ordinances and State of Wisconsin criminal and traffic laws. The following 2009 Day Shift arrest/citation statistics are:

Adult Felony Arrests	34	Mental Observation Arrests	23
Adult Misdemeanor Arrests	49	Municipal Traffic Citations	2110
Adult Ordinance Arrests/Citations	291	Municipal Parking Citations	132
OMVWI – State Arrests	0	State Traffic Citations/Arrests	35

In addition to their general patrol duties members of the Early Shift were involved in Crime Prevention Activities and Street Crimes Investigations. Officers Fadness and Harrison assisted with crime prevention duties and were involved in the National Night Out activities. Officers assigned to the Street Crimes Unit conducted several successful narcotics investigations throughout the year.

In 2009 the Early Shift experienced several personnel changes. There were three new additions to the Franklin Police Department in 2009 who are currently assigned to Early Shift, Officers Gabriel Frusti (07/09), Shayne Suminski (05/09) and Gary Wallace (12/09). In November, Officer Tromp

transferred to the Late Shift, Officer Czerwinski came to Early Shift, and Officer Hintz went to Day Shift in September.

In June Sergeant Russell Crissey was off work for the remaining year with a shoulder injury. Sergeants Spak, Schroeder, Van Zile, Goens and Scalise did an excellent job covering the shift in his absence.

In 2009, Early Shift actively enforced City of Franklin ordinances and State of Wisconsin laws. The following 200 Early Shift arrest/citation activities are:

Adult Felony Arrests	28	Mental Observation Arrests	42
Adult Misdemeanor Arrests	66	Municipal Traffic Citations	2358
Adult Ordinance Arrests/Citations	292	Municipal Parking Citations	215

- Search Warrant where an arrest was made for Possession of Marijuana and Possession of drug Paraphernalia.

# INVESTIGATIVE SERVICE BUREAU

---

Capt. Clark Groen

Sgt. Kevin Magno

The Franklin Police Department Investigative Services Bureau included six detectives directly supervised by a sergeant. The Investigative Services Bureau is divided into two units, Youth Services and General Assignment. The Youth Services Unit consists of two detectives trained in juvenile law who investigate crimes that involve juvenile offenders and conduct child abuse investigations. Four General Assignment Unit detectives investigate criminal offenses that occur in the City of Franklin that are not handled by the Youth Services detectives. Personnel generally work from 8:00 a.m. to 10:00 p.m., seven days a week.

During 2009 the Investigative Services Bureau was staffed by the following personnel:

## ADMINISTRATOR

Captain            Clark Groen

## FIRST LINE SUPERVISOR

Sergeant            Kevin Magno

## INVESTIGATORS

Detective	James Jankowski (Ret. Dec '09)
Detective	William Kieckhefer (Ret. Dec '09)
Detective	Scott Stull
Detective	Sean Crowley
Detective	Randy Olewinski
Detective	David Malik

Several staffing changes occurred during 2009. The Franklin Public Schools eliminated funding for the Police/School Liaison Officer (PSLO) at the end of the 2008-2009 school year. The PSLO, Det. Sean Crowley devoted most of his time during the school year to working in Franklin High School and Forest Park Middle School. Detective Crowley has been assigned to the Youth Services Unit full time after serving in the schools for 16 years. Patrol officers now investigate most offenses occurring

on these campuses. In December 2009, Detective James Jankowski retired after more than 37 years of service, and Detective William Kieckhefer retired after more than 31 years of service.

In 2009 the Franklin Police Department detectives investigated approximately 225 cases. These cases included theft, burglary, fraud, identity theft, armed robbery, sexual assault, physical and sexual abuse to children, and death investigations.

Youth Services detectives investigated numerous complaints dealing with child physical and sexual abuse. Examples of arrests made by the Youth Services detectives include:

- The apprehension and adjudication of a juvenile suspect for numerous counts of First Degree Sexual Assault of a Child.
- The arrest of a 30 year old suspect for Physical Abuse of a Child.
- The arrest of a 24 year old suspect for several counts of First Degree Sexual Assault of a Child.
- The arrest of a 54 year old suspect for Physical Abuse of a Child.

General Assignment detectives investigated complaints involving a variety of criminal offenses.

Examples of arrests made by our General Assignment detectives include:

- The arrest of a suspect for Burglary to a Franklin residence. He was also convicted of an armed robbery to a business in the City of Milwaukee.
- The conviction of a defendant who stalked his victim in multiple jurisdictions in southeastern Wisconsin, including the City of Franklin.
- The arrest of a suspect for Burglaries in Franklin and Fond du Lac County.
- The arrest of a suspect for Burglary to a Franklin residence who was also a suspect in a Milwaukee Homicide.
- The arrest of a suspect for Theft by Fraud in the amount of \$50,000.00.
- The arrest of a suspect for obtaining a large amount of controlled substances by using a fraudulent prescription.
- The arrest of a suspect for Burglary to a Franklin residence where jewelry was stolen.

# COMMUNICATIONS CENTER

---

Capt. Michael Martens

Comm. Supv. Cindy Manke

The Franklin Police Department Communication Center saw a number of changes in 2009. We eagerly welcomed two new dispatch consoles that allow our Dispatchers to stand or sit while working. The consoles replaced two existing ones which had seen a number of repairs and were no longer serviceable. We have hopes that within the next year or two we will be able to replace our two remaining consoles and give all the dispatchers the option to sit or stand for a more ergonomic environment.

We also bid farewell to a longtime and respected fellow co-worker. Captain Mike Martens retired after more than 30 years with the Franklin Police department. Captain Martens was a key component for the Communication Center. He had many varied responsibilities, anywhere from radios, T-1 lines, mobile data computers, CAD (computer aided dispatch) and RMS (record management systems) applications, phone systems and the list seems endless. We may never fully understand all the roles that Capt Martens had, but one thing we do know is he will be missed and we wish him well.

The spirit of Dispatchers wanting to help was never more evident than in July of 2009. Two of our Dispatchers pooled resources and people and hosted an incredible fund raiser benefit/silent auction for the husband of one of their co-workers. The benefit was for Chris McDonald, the husband of Dispatcher Nicole McDonald who has been with our department since 2003. Nicole's husband was

diagnosed with head and neck cancer slightly over a year ago and faces some tremendous odds. So many wonderful and generous people came out to help and show support. The money raised has allowed Chris and Nicole the opportunity to travel to some destinations they thought they would have decades to discover together, and also helped pay for some out of pocket medical expenses.

Our Dispatchers, the “first-first responders” do a tremendous job of answering the calls for service for Police, Fire and EMS. They played an integral role in a study the City of Franklin Fire Department was a part of. The study was based on a no-lights response for EMS when certain situations dictated. Ultimately the dispatcher had to follow more detailed protocol and make the decision based on the chief complaint whether the EMS unit would respond emergency-with lights or non emergency-without lights. Their understanding of the system, training and willingness, helped to make the study a success. Even though the study has concluded, Dispatch continues to use those protocols to send emergency and non-emergency responses.

Some of our dispatchers had the opportunity to attend some out of town specialized training which included the NENA (National Emergency Number Association) convention in Wisconsin Dells. This gave them the chance to attend various break-out sessions covering a number of dispatch related topics. Other dispatchers had the experience of participating in Team Building classes in Brown County. The team building exercises provided them with valuable information they could share with their co-workers. This class was also recorded for a cable television broadcast to be shown at a later date. We’re hopeful that in 2010 we will be able to continue to send our dispatchers to specialized classes in addition to their regular training.

In March of 2010 we will welcome back Dispatcher Sean Patyk, who in 2009 served his Country overseas as a member of the United States Army National Guard. We look forward to working with him once again and are grateful for his safe return.

We currently staff our Communication Center with fourteen full time Dispatchers along with a full time Communication Supervisor. The Communication Center provides 24/7 coverage while maintaining a minimum staffing level of two dispatchers on each shift. In addition to their dispatch responsibilities and answering non emergency calls, they also answered over 3,000-911 calls in 2009. The Dispatchers also perform data entry of citations, accident reports, transcription of supplemental

reports and other clerical related tasks along with providing customer service to citizens who come into the police department.

These dedicated women and men who serve this department and community as Dispatchers are to be recognized for the tremendous job they do in handling multiple situations at any given time. The Dispatchers are the life-line to our Police/Fire/EMS responders.

# AUXILIARY UNIT

L/R: George Griffith, Patrick Stiff, Joseph Gaffney

In calendar 2009, members of the Police Auxiliary Unit donated a total of 1248.5 hours of volunteer service to the community. Individual contributions are as follows:

Jeff Bertino	56.5	Adam Niemuth	209.50
Stanley Bugnacki	154.5	Sean Patyk	27.25
David Dey	59	Bryce Ripp	13.00
Thomas Fellin	95.75	Patrick Stiff	212.00
Joseph Gaffney	180.75	Brian Zagorski	17.50
George Griffith	164.50		
Christopher Hahn	58.25	<b>Total Volunteer Hours</b>	<b>1248.50</b>

Throughout the year, the twelve person unit assisted the Department in a variety of ways: traffic and crowd control during the July 4<sup>th</sup> Civic Celebration activities and during the Labor Day weekend St. Martins Fair; traffic and crowd control for Franklin High School football games, basketball games and the annual homecoming parade; National Night Out activities; as “actors” during Department training evolutions; security for events at the Wehr Nature Center; support for a bicycle rodeo hosted by the Franklin Health Department; and support for the Citizens Academy. In addition, Auxiliary Officers do “ride alongs” with Police Officers on patrol, assisting them with their daily duties. Here is a breakdown of the major areas of support:

July 4 <sup>th</sup> Civic Celebration	112.00	Franklin High School Games/Parade	337.75
St. Martins Labor Day Fair Weekend	43.00	Training/Meetings	318.50

The year of 2009 was another of transition within the Auxiliary Services Unit. Auxiliary Officer Patyk was on a leave-of-absence for almost all of 2009 after being called to serve in an active duty capacity in the military. In addition, Auxiliary Pawlak's leave-of-absence ended with his resignation in good standing as he was hired full-time by the West Milwaukee Police Department.

We were very successful in continuing our plan to maintain a high level training and proficiency in 2009. Unit members attended the 24-hour annual in-service training at MATC south campus early in the year, with very good participation. In addition, we conducted in-house training in the following areas: dispatch and radio procedures; high risk vehicle contacts; firearms familiarization – handgun, shotgun and squad rifle; using Spanish in police work; booking and fingerprinting; squad equipment familiarization; defense and arrest tactics, including refresher training in handcuffing and baton as well as scenario-based “hands-on” training in the “Red Man” suits; and Department policy reviews.

As the Unit Commander, I appreciate the unselfish commitment and high level of professionalism of all of the members of the Unit. Without their dedication, support, and hard work, we would not be successful in providing valuable services to the citizens of the City of Franklin.

The Bicycle Patrol Unit takes a proactive approach to policing in both urban and rural areas during daytime and nighttime hours. The unit maintains high visibility by day, with an emphasis on crime prevention in our neighborhoods and retail areas. Daytime contacts with the public also help to reinforce bicycle safety for children. At night the unit has the capability of running fairly silent, detecting crimes in progress, including thefts in subdivisions and underage drinking/illegal use of drugs parties in fields and wooded areas. The Bicycle Patrol Unit is capable of accessing areas where squad cars cannot patrol, helping to keep Franklin safe.

In 2009, the Bicycle Patrol Unit logged approximately 800 police officer work hours over a five month period between May and September. Officers Patricia Bandur, Theodore Mazza, Kevin Liermann, Anne Polster and Ann Aide patrolled our city on bicycles on all 3 work shifts and during special events, including the 4th of July festivities and St. Martin's Fair which is held on the first Monday of each month and Labor Day weekend. Officer Bandur also taught bicycle safety at all of our elementary schools to K-4th grade students. For the 12th year Franklin resident, Dennis Worthy and the Metro Milwaukee Auto Auction of Caledonia generously provided financial support of the Bicycle Patrol Unit.

PO Miller w/K9 Charlie

PO Hernon w/K9 Degan

PO Fixel w/K9 Dagger

The Franklin Police Department K-9 Unit provides police service 24 hours a day seven (7) days a week. The K-9 Unit is comprised of the following personnel:

FIRST LINE SUPERVISOR  
Sergeant Curtis Goens

<u>HANDLERS</u>	
Police Officer	Michael Fixel with K-9 Dagger
Police Officer	Jedd Miller with K-9 Charlie
Police Officer	Mark Hernon with K-9 Degan

The Franklin Police Department has three (3) K-9 teams which consist of a K-9 and a sole officer, who is the handler. Each K-9 team is assigned to a different shift and off group so there is at least one (1) K-9 team working during any 24 hour period, seven (7) days a week. The K-9's are dual purpose dogs. This means that they are trained in both Patrol and Narcotics Detection. Patrol includes: Building/Area Searches, Evidence Searches, Tracking, and Officer Protection/Criminal Apprehension. The K-9 Unit works street patrol and use the K-9's to assist during investigations.

In 2009, the Franklin Police Department K-9 Unit was utilized 207 times for various investigations/functions. The K-9's assisted in narcotic investigations by searching houses and vehicles, in progress crimes searching for suspects and evidence, and in community relations by performing K-9 demonstrations.

Officer Hernon and K-9 Degan won the Wisconsin Law Enforcement Canine Handler Association Award for Meritorious Article Find for their actions on August 16<sup>th</sup>, 2009. They responded as mutual aid request from the West Allis Police Department to assist in the investigation of the Aggravated Battery of Mayor Tom Barrett. Officer Hernon and K-9 Degan were able to locate scent and a track which led them to a dumpster where a tire iron was located that had been used to assault Mayor Barrett. Because of their actions, the weapon and evidence of the crime were located which assisted in the conviction of the offender. Officer Fixel and K-9 Dagger assisted the Racine County Sheriff's Office on March 13<sup>th</sup>, 2009 to attempt to locate a stabbing suspect who was hiding in a wooded area and would not surrender. Officer Fixel and Dagger assisted and the suspect was taken into custody without further incident. Officer Miller and K-9 Charlie assisted in the apprehension of the occupants driving a stolen vehicle following a vehicle pursuit on March 13<sup>th</sup>, 2009. Officer Miller and K-9 Charlie were the back-up squad during the pursuit and their presence prevented the suspects from fleeing on foot and resisting arrest after the vehicle was stopped.

Chief Richard P. Oliva established the Franklin Police Department Motorcycle Unit in July of 2005. The Franklin Police Department currently operates two 2008 Harley Davidson FLHTP Electra Glide motorcycles.

The Motorcycle Unit is currently staffed by two sergeants and five patrol officers whose primary duties are traffic enforcement, accident investigation, and escort duties for dignitaries and funerals. The Motorcycle Unit, a division of the Franklin Police Department Traffic Enforcement & Crash Investigation Unit, which concentrates its patrol efforts on traffic related problems throughout the City. Each officer assigned to the unit has undergone extensive training in the operation of a police motorcycle, and is a highly skilled rider.

The Motorcycle Unit has proven to be a highly effective tool in the enforcement of traffic laws and vehicle equipment codes. Due to its maneuverability, the motorcycle is able to get through traffic quicker, and into areas where a normal patrol squad cannot. The motorcycles also provide the Department with an excellent instrument for community relations and are often on display at public functions like the annual National Night Out celebration.

In 2009, between March 15<sup>th</sup> and November 15<sup>th</sup>, these seven officers logged approximately 2400 police officer work hours and over 8,000 miles patrolling our city on the motorcycles.

Pursuit Driving Simulator demonstration at the Milwaukee

Citizen Academy V - Spring 2009

The Franklin Police Department conducted two Law Enforcement Citizen Academies during 2009. Over a period of twelve weeks, twenty-four people from various walks of life learned what it is like to be a police officer in the City of Franklin. The classes were comprised of Franklin citizens, City employees, Public School District employees, and qualifying high school students. More than twenty members of the Franklin Police, Fire Departments and two Milwaukee County Sheriff deputies assisted Sergeant Eric Schroeder in conducting the sessions during the spring and fall of the year.

The Citizen Academy provides an overview of the law enforcement profession and exposes the student to situations police officers experience frequently. Students learn the basics of police work including; patrol and dispatch procedures, defense and arrest tactics, traffic stops and impaired driver enforcement, crime scene processing and evidence collection, criminal investigation, firearms training simulation, community policing concepts and crime prevention, K-9 and SWAT deployment, police bicycle and motorcycle patrol, pursuit driving simulation, and more.

In 2010, we again plan to conduct two Citizen Academy sessions for twenty-four additional Franklin residents.

In 1998 the Franklin Police Department implemented the Traffic Enforcement & Crash Investigation Unit which consisted of one sergeant and three police officers working part time to address traffic problems with traffic enforcement details. In addition, they responded as needed to investigate serious property damage or personal injury motor vehicle crashes. Chief Richard Oliva has increased staffing in this unit by designating additional officers from all three shifts for this purpose: Officers Joseph Demotto, Eric Balow and Theodore Mazza from Day Shift; Officers Kevin Mullikin and Lorli Roscizewski from Early Shift; and Officers Danial Morris, Mark Iczkowski and Jason Fincel from Late Shift. Our traffic enforcement & crash investigation unit officers have received additional training in radar speed enforcement, laser speed enforcement, commercial motor vehicle enforcement, vehicle equipment enforcement, basic crash investigation, technical crash investigation, vehicle dynamics, and more.

Sergeant Russell Crissey supervises this unit's operations and deploys the officers to predetermined areas of the City where traffic violations are reportedly occurring. Traffic officers are assigned to these details on a part time basis based upon the need for traffic enforcement as well as crash

investigation, and the shift's activity or volume of calls for service. Traffic officers, in addition to their traffic enforcement and crash investigation responsibilities are also responsible to complete their normal patrol duties.

In 2009, traffic enforcement & crash investigation officers logged over 8,700 police officer work hours (inclusive of the motorcycle unit hours) enforcing traffic laws and investigating traffic crashes on Franklin roadways. The majority of these traffic enforcement hours were in response to requests from Franklin citizens, business owners, elected officials, police officers and our City engineering department employees.

# CRIME PREVENTION UNIT

---

The Franklin Police Department values the positive relationships we have built with our citizens. We recognize the importance of establishing communication and working cooperatively with the public “to preserve peace, protect life and property, reduce crime, and provide needed services to our community”, as expressed in our mission statement. We strive to accomplish this by encouraging all of our officers to spend time with citizens, listen and respond to their concerns.

The 2009 Franklin Police Department Crime Prevention Unit officers were Det. James Jankowski, PO Ted Mazza, PO Craig Liermann, PO Shawn Harrison, PO Jeremy Fadness, and PO Jon Czerwinski. In addition, Det. William Kieckhefer and PO Robert Berres served as liaisons to our senior citizens. Crime Prevention officers conduct free home security surveys; participate in Neighborhood Block Watch and Business Watch meetings. They plan and coordinate the annual National Night Out celebration. They also present information to citizen groups on topics related to Identity Theft, Personal Safety and Internet Safety. They provide Robbery Response training to financial institutions upon request, and discuss crime prevention issues at the Law Enforcement Citizen Academy. In 2009 they attended events sponsored by Northwestern Mutual Life Insurance Company (Safety Awareness Day) and Milwaukee Area Technical College (Safety Day). The officers monitor crime trends and provide bulletins to affected businesses and residents.

Many of our Crime Prevention officers are members of professional organizations, including the Wisconsin Association of Community Orientated Policing (WACOP) and the Wisconsin Crime Prevention Practitioners Association (WCPPA). Officer Mazza continues to serve on the board of directors for WACOP. Crime Prevention officers attend conferences and training sponsored by these organizations to stay up to date on the latest crime trends and prevention programs.

Det. James Jankowski and Det. William Kieckhefer both retired from the Franklin Police Department in December 2009. Jim was our most experienced Crime Prevention officer and Bill often investigated cases involving the elderly. Both will be missed.

We would like to thank all those who supported our crime prevention efforts financially in 2009. We gratefully acknowledge generous donations from Wal-Mart, WE Energies, and Master Lock.

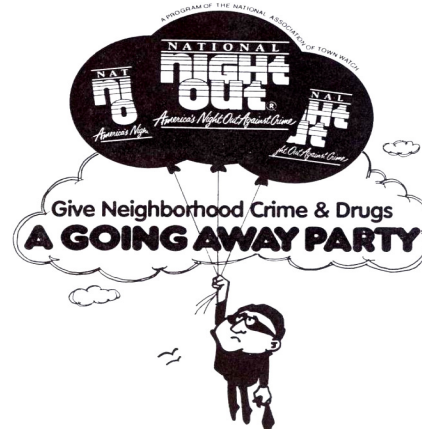

The Franklin Police Department would like to thank the following business and volunteers who helped make the 2009 National Night Out a tremendous success. The event raised \$200.00 (proceeds donated by Cousins Subs) and non-perishable food items for the Franklin Food Pantries. We look forward to another great event in 2010.
